

CORPORATE PROFILE & COMMERCIAL COMMODITY SPECIFICATION

Legal Entity: Zagros Vitosha Bulgaria EOOD	Commercial Register EIK: 208619412
Registered VAT ID: BG208619412	Sofia HQ: bul. Vitosha 88, 1463 Sofia, Bulgaria
Berlin Liaison Desk: Friedrichstr. 123, 10117 Berlin, Germany	Logistics Corridors: Ports of Varna, Burgas, Mersin & Inland DAP

1. Executive Corporate Summary

Zagros Vitosha Bulgaria EOOD is a Bulgarian registered corporate trading and international sourcing entity headquartered in Sofia. The company operates as a reliable cross-border bridge between primary petrochemical manufacturers and industrial processors across Bulgaria, Romania, Serbia, Greece, and Turkey.

We specialize in full container load (FCL) maritime dispatches of virgin polymers (HDPE, LDPE, PP, S-PVC K67), direct paving bitumen, and industrial fasteners. With established relationships with tier-1 global maritime lines (MSC, Maersk, Arkas), we ensure secured delivery to the Ports of Varna and Burgas with guaranteed 14 to 21 free demurrage days, bonded warehousing, and inland delivery (DAP) directly to manufacturing facilities.

2. Strategic Advantages & Commercial Capabilities

- **Virgin Prime Quality:** Strictly prime grade virgin resins with certified Melt Flow Index (MFI) and density properties.
- **Origin Transparency:** Specific manufacturer mill and country of origin are confirmed per proforma invoice and documented on official batch COA and Certificate of Origin.
- **Multi-Modal Logistics:** Flexible maritime terms (CIF / CFR Port of Varna / Burgas) combined with inland trucking (DAP) across Bulgarian industrial zones and regional Balkan markets.
- **Extended Port Free Days:** 14 to 21 days free demurrage / detention guaranteed on shipping documents to provide seamless customs clearance.
- **Quality Verification:** Manufacturer Batch Certificate of Analysis (COA) provided with shipping documents; independent third-party inspection (SGS / Bureau Veritas) available upon buyer request.

3. Core Petrochemical & Polymer Grades

Technical baseline parameters for export dispatches. Detailed batch COA provided upon cargo booking.

Commodity	Typical Grades	MFI / Property	Standard Packaging	Key Applications
HDPE Resin (High Density)	Film Grade 5110 / F7000 Pipe Grade PE100 Black Blow Molding 0035	0.05 - 0.12 g/10min 0.22 - 0.28 g/10min Density: 0.952 - 0.960	25 kg PP valve bags, 1,375 kg shrink-wrapped pallets (24.75 MT / 40' HC)	High-strength shopping bags, pressure water
LDPE Resin (Low Density)	Heavy Film 2420H / 020 General Film 2102	1.9 - 2.2 g/10min Density: 0.923 - 0.926	25 kg bags on pallets (24.75 MT / 40' HC)	Heavy agricultural greenhouse film, shrink bu
Polypropylene (PP Granules)	Raffia V30S / T30S Injection Z30S / HP500N Fiber / Yarn Grade	2.8 - 3.5 g/10min (Raffia) 12 - 25 g/10min (Injection) Density: 0.900 - 0.905	25 kg PP bags, palletized with UV stretch hood	Woven sacks, FIBC jumbo big bags, strapping
Suspension PVC (S-PVC Resin)	Grade K67 / SG-5 Grade K58 / SG-7	K-Value: 66 - 68 Bulk Density: >= 0.54 Volatiles: <= 0.30%	25 kg multi-layer kraft composite valve bags	Rigid window and door profiles, technical con
Bitumen / Asphalt (Paving Grade)	Penetration 60/70 Penetration 80/100	Penetration @ 25C: 60-70 Softening Point: 49 - 56 C Ductility: >= 100 cm	180 kg new steel drums or 1,000 kg meltable bags	Highway asphalt paving, waterproofing memb
Industrial Fasteners (Standard Hardware)	DIN 933, DIN 934, DIN 7981 Class 4.8 / 8.8 / 10.9	Zinc plated (Cr3+ RoHS) Hot dip galvanized	25 kg reinforced carton boxes on Euro-pallets	PVC profile steel reinforcing, construction fran

4. Maritime Corridors, Inland Trucking & Incoterms 2020

Zagros Vitosha Bulgaria EOOD manages end-to-end logistics operations from primary loading ports to final delivery points across Southeastern Europe:

Logistics Hub	Service Scope & Delivery Terms	Transit / Features
Port of Varna (Varna-West / East)	Primary Bulgarian maritime discharge hub. Ocean FCL containers cleared or transhipped Directly to industrial zones in Sofia, Plovdiv, and other inland destinations.	• Direct customs warehouse • Fast highway road transit
Port of Burgas (BMF Port Burgas)	Deep-sea handling terminal serving central and southeastern Bulgaria and regional markets.	• Rail and highway connections • Dedicated bulk container handling
Port of Mersin (Mersin Free Zone)	Major Eastern Mediterranean petrochemical port. Bonded warehousing, high-volume cargo handling and rapid transshipment.	• Free Zone storage facilities • Frequent container departures
Inland Trucking (DAP) Bulgaria & Balkans	Door-to-door delivery with standard 24 MT tilt trailers and tautliners directly to the final destination.	• Coverage by AEOPT Bulgaria, Romania (Bucharest), and other Balkan regions. • Full CMR transit insurance • Timed delivery scheduling

5. Commercial Terms & Direct Executive Contacts

Commercial Framework • Incoterms 2020: CIF, CFR, DAP, FCA • Payment Methods: Confirmed Irrevocable L/C at sight, CAD, T/T • Documentation: Bill of Lading, Invoice, Packing List, Batch COA, Origin Certificate, CMR (for DAP) • Inspection: SGS / BV available on request	Direct Trade & Executive Desk Managing Director (Executive Desk): • Phone / WhatsApp: +359 87 794 4353 Head of Commercial & Export: • Phone / WhatsApp: +359 88 970 0004 Official Web: www.zvbt.eu Email: Zvbulgaria@gmail.com Bulgaria Headquarters: • bul.
